From the President's Desk...

Welcome to the new 2011-2012 San Antonio Women's Hall of Fame year! The Committees which are structured to implement our Mission of SAWHOF are already working in the two great and important areas: Induction of outstanding women into the organization, and the identification of deserving local women pursuing a college education to receive a scholarship in order to improve their status, interests, and needs of our community. The Board of Directors has met twice already and has approved the SAWHOF website which will be used in setting forth all procedures, dates, and timelines regarding Nominations and Scholarship applications. Our Membership Committee will make an effort to contact all women who have been inducted into the Women's Hall of Fame from 1984 to the present and involve them in the fabulous activities which are being planned for this year. Together we will continue to promote professional, intellectual, social and physical well being of our members. This is our challenge! MEMBERS are the KEY to SAWHOF success! **WE ARE TEAM SAN ANTONIO WOMEN'S HALL OF FAME!**

"We are all leaders and followers in our lives. We are constantly learning from and teaching one another. We learn, too, that the most important work is not done by those who seem the most important, but by those who care the most."

2012 Scholarship Winners

The San Antonio Women's Celebration and Hall of Fame was delighted to present the 2011 Spring Scholarship awards. Each recipient received \$1,000 scholarships with the exception of Stephanie Brown Scholarship. The \$2,000 Stephanie Brown Scholarship was made possible by the women officers in the San Antonio Police Department in her honor. Special thanks to Geraldine Garcia, Assistant Chief for creating this scholarship.

We had an excellent turnout as friends and relatives of these fine young women attended the luncheon to show their pride and support.
